

City of Encinitas

Vulcan St.

Dense Graded Overlay
PG64-28TR with 18% tire
rubber content

2-4-2011

Tack Coat with
SS-1h

2-4-2011

Temp thru the
Paver: 260-270F

2-4-2011

No Delay for Bus
Stop

Pavement Temp
210F

2-4-2011

Heavy bus route traffic

2-4-11

The crew initially started sanding and eagerly stopped when informed that wasn't necessary.....

2-3-11

.....and the project continued with no sanding

Great workability of the mix

2-4-11

Busy intersection
during construction

2-4-11

Prep work before overlay

2-4-11
